## Auto-Chlor - 44L3 : 44L3

### Specifications

|                                                                                    |                             |
|------------------------------------------------------------------------------------|-----------------------------|
| ENERGY STAR Unique ID:                                                             | 3549891                     |
| ENERGY STAR Partner:                                                               | Auto-Chlor System           |
| Brand Name:                                                                        | Auto-Chlor                  |
| Model Name:                                                                        | 44L3                        |
| Model Number:                                                                      | 44L3                        |
| Type:                                                                              | Multiple Tank Rack Conveyor |
| Sanitization Method:                                                               | Dual Sanitizing Machine     |
| Water Consumption (gallons/rack):                                                  | 0.37                        |
| Idle Energy Rate for Low Temp and Dual Sanitizing Machines (kW):                   | 0.44                        |
| Idle Energy Rate for High Temp and Dual Sanitizing Machines (kW):                  | 0.95                        |
| Booster Heater Idle Energy Rate for High Temp and Dual Sanitizing Machines) (kW) : | 0.06                        |
| Washing Energy Consumption (kWh/rack) for Low Temp and Dual Sanitizing Machines:   | 0.1                         |
| Washing Energy Consumption (kWh/rack) for High Temp and Dual Sanitizing Machines:  | 0.31                        |
| Heat Recovery Machine:                                                             | No                          |
| Hot Water Energy Offset Claimed:                                                   | No                          |
| Racks per Hour:                                                                    | 233.0                       |
| Energy Saver Mode :                                                                | No                          |
| Markets:                                                                           | United States               |
| ENERGY STAR Certified:                                                             | Yes                         |
