## ASUS - CX1500FK Series : CX1500FK

## Specifications

|                                                                                                                                                                  |                 |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| ENERGY STAR Unique ID:                                                                                                                                           | 2393136         |
| Brand Name:                                                                                                                                                      | ASUS            |
| Model Name:                                                                                                                                                      | CX1500FK Series |
| Model Number:                                                                                                                                                    | CX1500FK        |
| Type:                                                                                                                                                            | Notebook        |
| Category 1: Processor Brand:                                                                                                                                     | Intel           |
| Category 1: Processor Name:                                                                                                                                      | Pentium         |
| Category 1: Base Processor Speed Per Core (GHz):                                                                                                                 | 1.1             |
| Category 1: Physical CPU Cores (count):                                                                                                                          | 4               |
| Category 1: System Memory (GB):                                                                                                                                  | 8               |
| Category 1: Default Low-power Mode:                                                                                                                              | Sleep Mode      |
| Category 1: Long Idle Power Used for Sleep Mode:                                                                                                                 | No              |
| Category 1: Off Mode (watts):                                                                                                                                    | 0.2             |
| Category 1: Sleep Mode (watts):                                                                                                                                  | 0.3             |
| Category 1: Long Idle (watts):                                                                                                                                   | 1.4             |
| Category 1: Short Idle (watts):                                                                                                                                  | 4.4             |
| Category 1: Base TEC Allowance (kWh):                                                                                                                            | 8               |
| Category 1: Functional Adder Allowances (kWh):                                                                                                                   | 14.2            |
| Category 1: TEC of Model (kWh):                                                                                                                                  | 14.3            |
| Notebooks, Desktops, Integrated Computers, Slate/Tablets, Two-in-one Notebooks, and Portable All-in-ones Category for TEC (Typical Energy Consumption) Criteria: | 1               |
| Category 1: Operating System Name:                                                                                                                               | Chrome          |
| Sleep Mode Default Time Upon Shipment (min.):                                                                                                                    | 9               |
| Display Sleep Mode Default Time Upon Shipment (min.):                                                                                                            | 8               |
| Will the Speed of Any Active 1 GB/s or Higher Ethernet Network Links be Reduced to Less Than 1 GB/s When Transitioning to Sleep or Off Mode?:                    | No              |
| Ethernet Capability:                                                                                                                                             | No              |
| Touch Screen:                                                                                                                                                    | Yes             |

|                                  |                                                   |
