

# ENERGY STAR CERTIFIED Computers (Bold)

LG - 17Z90R\* : 17Z90R-\*

## Specifications

|                                                  |                                                   |
|--------------------------------------------------|---------------------------------------------------|
| ENERGY STAR Unique ID:                           | 2405763                                           |
| Brand Name:                                      | LG                                                |
| Model Name:                                      | 17Z90R*                                           |
| Model Number:                                    | 17Z90R-*                                          |
| Type:                                            | Notebook                                          |
| Category 2: Processor Brand:                     | Intel                                             |
| Category 2: Processor Name:                      | i7-1360P                                          |
| Category 2: Base Processor Speed Per Core (GHz): | 2.2                                               |
| Category 2: Physical CPU Cores (count):          | 1                                                 |
| Category 2: System Memory (GB):                  | 32                                                |
| Category 2: Default Low-power Mode:              | Sleep Mode                                        |
| Category 2: Long Idle Power Used for Sleep Mode: | Yes                                               |
| Category 2: Off Mode (watts):                    | 0.4                                               |
| Category 2: Short Idle (watts):                  | 5.0                                               |
| Category 2: Base TEC Allowance (kWh):            | 14                                                |
| Category 2: Functional Adder Allowances (kWh):   | 27.9                                              |
| Category 2: TEC of Model (kWh):                  | 17.8                                              |
| Category 2: Operating System Name:               | Windows 11                                        |
| Ethernet Capability:                             | Yes                                               |
| Touch Screen:                                    | No                                                |
| Date Available On Market:                        | 2023-01-09                                        |
| Date Certified:                                  | 2022-12-15                                        |
| Markets:                                         | United States, Switzerland, Taiwan, Japan, Canada |
| ENERGY STAR Certified:                           | Yes                                               |
