

ENERGY STAR CERTIFIED

## Data Center Storage

### Lenovo (United States) Inc. - DE2000H : 7Y71

#### Specifications

|                                                            |                             |
|------------------------------------------------------------|-----------------------------|
| ENERGY STAR Unique ID:                                     | 3629791                     |
| ENERGY STAR Partner:                                       | Lenovo Group Limited        |
| Brand Name:                                                | Lenovo (United States) Inc. |
| Model Name:                                                | DE2000H                     |
| Model Number:                                              | 7Y71                        |
| Storage Model Connectivity:                                | Block I/O                   |
| Product Type:                                              | Disk Set Online 3           |
| Storage Controller Configuration:                          | Scale-Up Storage            |
| Storage Controller Advanced Data Recovery Type:            | RAID                        |
| Capacity Optimized Method Available (COMs):                | Thin Provisioning           |
| Workload Optimization Type:                                | Transaction                 |
| Automated Storage Tiering Capable:                         | Yes                         |
| Automated Storage Tiering Enabled in Hardware on Shipment: | No                          |
| Trans Optimal Point Hot Band Workload Test (IOPS/W):       | 28.1                        |
| Markets:                                                   | United States, Canada       |
| ENERGY STAR Certified:                                     | Yes                         |
