

ENERGY STAR CERTIFIED

# Gas Water Heaters

## Navien - NPE-210S2 : NPE-210S2

### Specifications

|                                            |                       |
|--------------------------------------------|-----------------------|
| ENERGY STAR Unique ID:                     | 2408691               |
| ENERGY STAR Partner:                       | Navien, Inc.          |
| Brand Name:                                | Navien                |
| Model Name:                                | NPE-210S2             |
| Model Number:                              | NPE-210S2             |
| Connected Capable:                         | No                    |
| Tax Credit Eligible:                       | Yes                   |
| ENERGY STAR Certified:                     | Yes                   |
| Type:                                      | Gas Tankless          |
| Fuel:                                      | Natural Gas, Propane  |
| Max. Amps:                                 | 5.0                   |
| Vent Type:                                 | Power Direct Vent     |
| Max. Input Rate for Gas Products (Btu/hr): | 180000                |
| Maximum Gallons Per Minute:                | 5.3                   |
| Draw Pattern (Intended Usage):             | High-Usage            |
| Uniform Energy Factor (UEF):               | 0.96                  |
| Therms/year for Natural Gas:               | 176                   |
| Vent Size 1 (inches):                      | 2                     |
| Vent Size 2 (inches):                      | 2                     |
| Water Heater Depth (inches):               | 13.0                  |
| Water Heater Height (inches):              | 27.0                  |
| Water Heater Width (inches):               | 17.0                  |
| Date Certified:                            | 2023-02-23            |
| Markets:                                   | United States, Canada |
