| ENERGY STAR Partner:                                             | LG Electronics, Inc.                                                                               |
| Product Type:                                                    | Range                                                                                              |
| Installation Type:                                               | Built-in/Slide-in                                                                                  |
| Cooking Top Technology:                                          | Radiant                                                                                            |
| Width (inches):                                                  | 29.88                                                                                              |
| Height (inches):                                                 | 37.25                                                                                              |
| Depth (inches):                                                  | 29.25                                                                                              |
| Number of Cooking Zones:                                         | 5                                                                                                  |
| Control Type:                                                    | Knobs, Touch Control                                                                               |
| Voltage (volts):                                                 | 240 V                                                                                              |
| Amperage (amps):                                                 | 54.2                                                                                               |
| Specialty Zones:                                                 | Dual Concentric Cooking Zones, Triple Concentric Cooking Zones, Warming Zone                       |
| Smart Capabilities:                                              | Cooking Progress Monitoring, Remote Oven Control, Wifi Enabled                                     |
| Additional Product Features:                                     | Active Cooling, Indicator Light - Heating Element On, Indicator Light - Hot Surface, Controls Lock |
| Annual Energy Consumption (kWh/year):                            | 195                                                                                                |
| Low-Power Mode Energy Consumption for Oven Component (kWh/year): | 2.0                                                                                                |
| Low-Power Mode Energy Consumption for Cooking Top (kWh/year):    | 3.0                                                                                                |
| Average Cooking Zone Time (minutes):                             | 9.0                                                                                                |
| Cooking Zone #1 Size (inches):                                   | 9.45                                                                                               |
| Cooking Zone #2 Size (inches):                                   | 6.42                                                                                               |
| Cooking Zone #3 Size (inches):                                   | 6.42                                                                                               |
| Cooking Zone #4 Size (inches):                                   | 11.46                                                                                              |
| Cooking Zone #1 Wattage (watts):                                 | 3200                                                                                               |
| Cooking Zone #2 Wattage (watts):                                 | 1200                                                                                               |
| Cooking Zone #3 Wattage (watts):                                 | 1200                                                                                               |
| Cooking Zone #4 Wattage (watts):                                 | 3000                                                                                               |
