

ENERGY STAR CERTIFIED

# Room Air Conditioners

## Midea : MAW25R2VWT

### Specifications

|                                                   |                                                                            |
|---------------------------------------------------|----------------------------------------------------------------------------|
| ENERGY STAR Unique ID:                            | 3354642                                                                    |
| Brand Name:                                       | Midea                                                                      |
| Model Number:                                     | MAW25R2VWT                                                                 |
| Type:                                             | Window                                                                     |
| Casement Window:                                  | None                                                                       |
| Annual Energy Use (kWh/yr):                       | 1353.4                                                                     |
| Combined Energy Efficiency Ratio (CEER):          | 13.3                                                                       |
| Percent Less Energy Use than US Federal Standard: | 41                                                                         |
| Cooling Capacity (Btu/hr):                        | 24000                                                                      |
| Voltage (volts):                                  | 230                                                                        |
| Product Class:                                    | 5a. Without reverse cycle, with louvered sides, and 20,000 to 27,999 Btu/h |
| Date Certified:                                   | 2023-12-28                                                                 |
| Installation Mounting Type:                       | Does Not Straddle Window or Windowsill                                     |
| Markets:                                          | United States, Canada                                                      |
| Support Bracket:                                  | No                                                                         |
| Variable Speed Compressor:                        | Yes                                                                        |
| Refrigerant with GWP:                             | R-32 (GWP:675   Lower GWP)                                                 |
| Connected Capable:                                | No                                                                         |
| Heating Mode:                                     | No                                                                         |
| Height (inches):                                  | 17.9                                                                       |
| Width (inches):                                   | 23.6                                                                       |
| Depth (inches):                                   | 25.4                                                                       |
| Weight (lbs):                                     | 103.0                                                                      |
| ENERGY STAR Certified:                            | Yes                                                                        |
| ENERGY STAR Most Efficient:                       | No                                                                         |

### Additional Model Information

„Dual voltage 230/208

|           |              |
